MESSAGE

REV RAYMOND FONG, *PASTOR-IN-CHARGE*
AND ALVIN TAY, *CHAIRPERSON, LOCAL CHURCH EXECUTIVE COMMITTEE*

Dear Wesleyans

SACRIFICIAL SERVICE: TAKE THE NEXT STEP!

Every weekend, hundreds of volunteers will be needed in Church to work alongside pastors and staff at the various worship services. Some will serve as worship leaders, singers, guitarists, violinists, organists, prayer intercessors, ushers and communion stewards. Others will serve as mentors or teachers to our young ones. Yet others will serve behind the scenes, manning the logistics and refreshments and ensuring all systems are ready to go live. The list goes on.

Yes, we need volunteers to fill these positions. We need YOU!

Even Jesus Came To Serve

Serving others, whether in the Church, the marketplace or the Missions field, is one key of our discipleship and a facet of our Christian life. Our Lord Jesus "did not come to be served, but to serve, and to give his life as a ransom for many" (Matthew 20:28). We are called to follow the example of our Lord. This is why one of the five faith environments of the Wesley Discipleship Model, C-O-R-D-S, is S for 'Sacrificial Service'.

The Apostle Paul also reminded us in Ephesians 2:10 (ESV) that "we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."

We are God's masterpieces, each and every one of us. We are created for God's good works or purposes and His glory!

Each Of Us Has Our Own Spiritual Gift From God

Some of you may ask why God would call you when you have nothing to offer. The Biblical truth is all of us are blessed with spiritual gifts to serve the Body of Christ!

The Apostle Paul wrote in 1 Corinthians 7:7 (NIV): "But each of you has your own gift from God; one has this gift, another has that."

And further down in 1 Corinthians 12:7-11, he adds: "Now to each one the manifestation of the Spirit is given for the common good. To one there is given through the Spirit a message of wisdom, to another a message of knowledge by means of the same Spirit, to another faith by the same Spirit, to another gifts of healing by that one Spirit, to another miraculous powers, to another prophecy, to another distinguishing between spirits, to another speaking in different kinds of tongues, and to still another the interpretation of tongues. All these are the work of one and the same Spirit, and he distributes them to each one, just as he determines.

Finally, in Romans 12:6, Paul wrote: "We have different gifts, according to the grace given to **each of us.**" (*emphasis ours*).

Note the words "each one" or "each of us". Each and every one of us has a spiritual gift from God, and we are to use it for the common good. No gift is too small. Each gift is unique. Each one of us is uniquely a part of the body of Christ. No one can take your unique place. So we urge you to discover and exercise your gift so that the Body of Christ will be blessed.

It's About Our Availability, Not Our Ability

As we volunteer to serve, we will soon realise that it is not about our abilities but God's enabling power in and through us. As our Lord Jesus said in John 15:5: "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me, you can do nothing."

We need the empowering of the Holy Spirit when we serve. When God calls, he does not just look at our ability; He looks first at our availability. God is asking if we are first willing, not if we are able: Just do the best with whatever gifts God has blessed you with, and let God do the rest. God can do much through people like us who willingly turn ourselves and whatever gifts we have to serve Him.

This is why serving the Lord in Wesley will be your discipleship journey. You will experience the power of God using your availability to multiply your ability, your five loaves and two fishes, offered to God to be a blessing to others.

Take The Next Step!

Will you take the next step to serve the Church together as brothers and sisters in Christ? Let's serve the Body of Christ at Wesley. As we are blessed, let's be a blessing!

Will you join us for this journey? Sign up as a Volunteer today! ■

HEAR FROM OUR VOLUNTEERS

AILEEN CHIN, Volunteers in Small Group Ministry and Youth and Young Adult Ministry

I serve in the Small Group Ministry, Youth and Young Adult Ministry Worship Teams. I believe we are called to commit our time and God-given gifts in service to wherever God leads. Serving has been integral in my discipleship journey. It allows me to experience God through worship and community; I'm thankful to have forged spiritual friends through serving to journey alongside in life. Serving has constantly revealed ways to love God and His kingdom.

CHENG KANG LIM, Volunteers in the Audio-Visual Team, Worship & Music

Since 1998, I have been serving weekly as an Audio/Video (AV) team member in the AV room in the sanctuary. I started serving at the 5 p.m. service when my children were with the afternoon Children's Ministry and moved to help at the 9:30 a.m. service later when my children attended Youth Ministry in the morning. My responsibilities are handling the cameras for video and synchronising the PowerPoint presentations during the sermon time to ensure it is well projected on the sanctuary screens during the service. I enjoy serving in the AV team as it is my passion to handle technical AV equipment. Over the last 24 years, I have also made many good friends with fellow volunteers in the sound room and the technical staff team. This is also why I have not stopped helping the AV team. It is also my way of serving the Lord and my fellow brothers and sisters in Church.

DESMOND YIONG, Volunteers in Communications, Christian Outreach and Social Concerns and Small Group Ministry

I have been serving in Communications, SGM and COSC ministries since 2018. As a faithful community member, intentionally serving people allows me to practise, understand and live out humility. In all the ministries I serve, the ability to function as an effective team member (with fellow brothers and sisters in Christ) is the utmost divine satisfaction of my Christian living.

DAVID FOO, Volunteers at the Prayer & Praise and Small Group Ministries

Currently, I am serving in the P&P band since 2014 as an acoustic guitarist. In Small Group Ministry (SGM), I have been a small group leader since 2006 and a SWR core team since 2023. I enjoy three things about serving firstly, it helps me grow as a Christian. Secondly, it enables me to experience community, and thirdly, it allows me to build a life of significance.

Serving has taught me to be humble, learning to see how God works through different people with different gifts. It has enabled me to be more prayerful as His work is done on our knees, and serving has helped me to learn to let go and let God be in control. I am thankful for the opportunity to witness first-hand how God can use my five loaves and two fishes, multiplying them for His kingdom purpose and witnessing the fulfilment of His word as we see Jesus returning soon.

HAZEL MENON, Volunteers in Small Group Ministry & Alpha

It's a ministry that my husband and I get to meet up & walk with fellow Christians. As small group leaders and leaders in Alpha, we meet with Christians of all ages and pre-believers from different backgrounds. Through the meetings, we learned to be more open and hospitable to all who come into our household. I enjoy meeting with new people during Alpha - some come because they really want to learn more about Jesus, and others come because they have to do what they are expected to do. Regardless of their motivations, we are always excited when we get to share about God the Father, Jesus the Son and the Holy Spirit.

JAMES TAN, Volunteers in Companions-in-Christ under Discipleship and Nurture

I am currently serving as the Chairperson of Companions-In Christ (CIC). I have been serving in Companions-in-Christ for four years, first as a facilitator and then as a core team member before I was led to oversee the ministry as a Chairperson. I feel that God uses me to help make disciples in this season of my life. I derive joy and meaning from seeing my fellow companions find peace and joy when they discover the practice of silence, solitude, simplicity, prayer and other spiritual disciplines. In serving in these capacities, I have also learned to rely on God more, trust Him, and surrender all. Through it all, I also tremendously enjoy my fellowship with my CIC community. As we serve together, my fellow companions and I grow closer to the Lord and one another. My CIC companions have now become my community.

JESSICA KWAN, Volunteers in Children's Ministry and Small Group Ministry

I have served in the Children's ministry from 2007 to now. I have been serving as an assistant small group leader in my small group, Jacob's Well, from 2007 to now. As a Sunday School teacher, I am rewarded with the weekly sights of the most genuine faces, sweetest smiles and warmest hugs from the little ones. Every time I serve, it gives me great joy to interact with the little children in Little Lambs and see them grow

to become confident to respond and step out to participate during class. I am also blessed by the meaningful friendship with fellow volunteers who share the same heart to serve the children. As an assistant small group leader, I have been blessed by the companionship in my faith journey and fulfilment in spiritual friendships. Through the years of serving in the Church, I have become more joyful, confident, and sociable and received much more than I gave.

KUAH ANN NEE, Volunteers in Companions-in-Christ and Strangely Warm Retreat

After completing the Companions-in-Christ and Emotionally Healthy Spirituality courses, I serve as a facilitator as this aligns with my intention to continue to practise the spiritual disciplines learnt. I was also blessed by the authentic sharing by participants of the courses and Strangely Warm Retreat. I hope to pay it forward by serving.

LOH SOEK YEIN, Volunteers in Small Group Ministry and Mandarin Ministry

I have been in my small group (Ekklesia) since 1990. I started to serve in the Mandarin Ministry Audio Visual (AV) team after I was invited to join them at the Ministry Fair in 2022. There is a lot to learn - and I am still learning - about the cameras and lighting systems but I really enjoy serving on the team as I could listen to the Mandarin worship songs and sermons while serving in the capacity. Within my small group, I appreciate the friendship and support in the faith journey. I am 58 this year, and I can say I have a lot of joy in learning and growing in God's Word through my serving.

PHILIP YUEN, Volunteers as Assistant Pastoral Care Leader of Zone 11 and a Member of Living Water Family of 12 Small Groups

I have been serving God and my community in Wesley in the Small Group ministry since 2008, Welcome Corner since 2014, and in the Watchers Ministry since 2014, and as a facilitator in the Alpha and BMC Programmes since 2010. Serving in these ministries is rewarding and beneficial as

HEAR FROM OUR VOLUNTEERS

we learn much from reaching out, without realising that we are encouraged and re-energised by those we strive to serve! Hallelujah! Indeed, while volunteering in these ministries, God has opened my eyes to see the potentials and possibilities in all people as we walk, crawl or run with them on their faith journeys. Witnessing the transformation of Seekers new to the faith and Wesley Church has always been so rejuvenating and rewarding. To this day, I am still so excited to see the transformation of individuals and families when God's grace and mercies touch them!

LIZ LI, Volunteers in Alpha and Companions-in-Christ

I am in my 50s and have a teenage daughter going on to university. Together with my husband, James, I have been helping in Alpha. I have been serving as a facilitator for the Alpha course since last year. Following our discussions, I enjoy seeing the participants grow in Christ as they open up to and share deeply with one another. I like the feeling of being used by God to bring people closer to him. I am encouraged to see that I am not alone in serving God. The community also helped me to realise God's love for all of us, and they spur me to want to be closer to Him. I love opening my home, cooking for my guests, and extending hospitality to my Alpha guests. It's all about extending and reflecting God's love to others and not about ourselves.

PETER CHOW, Volunteers in Worship & Music

We can serve God no matter how young or old we are. I have served as an usher at traditional services since the early 1980s when our sanctuary was under renovation, and we had to worship temporarily at the MGS campus on Mt. Sophia. During that time, after the services, I would help to collect the hymnals and Bibles, put them back in the storage racks, and help tidy up the hall. One day, the late Mr Wong Tien Poh, our chief usher for many

years, approached me and invited me to be an usher. That started my ministry as an usher until today. All praise and glory to God for giving me the grace of good health to serve Him for over 40 years.

SERENE HO, Volunteers at Bethany Nursing Home under the COSC Ministry

I am in my early 50s and I am serving in Christian Outreach and Social Concerns (COSC), specifically in the Wesley Befrienders to Older Persons (WBOP) ministry from 2013 to now. It is a privilege to bring a little joy to the sick and elderly. In the process of serving, I have also become more compassionate and patient. I really enjoy learning dialect worship songs and the Interactions with the residents at the nursing home. Their smiles bring me much joy and we draw closer to each other, and to the Lord

YANG AI LAN, Volunteers in Family Life Ministry

I am in my early 60s this year, a grandmother, and still working full-time. I was married in Wesley in 1987. Due to a marriage crisis, I left the church in 1997. The Lord called me back to Wesley in 2005 when He restored my marriage. After I returned to Wesley, I started to pray and ask God for a ministry to serve. The Lord laid it on my heart to volunteer in the family life ministry in 2006, helping to facilitate marriage courses and ministering to married couples. As I interacted with the couples in Wesley, I learned from them patience in handling things, generosity in giving, kindness in treating people, and hospitality when they open their homes for fellowship. I became more prayerful, patiently waiting upon the Lord and am less hurried expecting God to answer prayers. In serving, I also learned to practise walking the talk as we impart Godly principles to couples, and at home, I learned to cope with my spouse's demands. To this day, I am still serving in the Family Life ministry.

About BeTween Ministry

The BeTween ministry disciples Primary 5 (11 years old) to Secondary 2 (14 years old) tweens. During these four critical years, our tweens undergo numerous changes – from biological changes to social changes like adapting to a new secondary school and coping with the stress of PSLE. On top of this, these four years are a critical developmental window where our tweens forge their identities and have the potential to own their faith for themselves. BeTween sets out to anchor our tweens in Christ in the face of these transitions. As they grapple to cope with change, our ministry seeks to witness to our tweens that our God is the same yesterday, today, and forevermore (Hebrews 13:8). About Children's Ministry (CM)

Jesus said, 'Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.' (Matthew 19:14). Jesus loves and honours little children. At Wesley, we have been running our CM for over 100 years, and it has blessed several generations of children in Wesley Methodist Church. Currently, the CM programmes are catered for children aged 18 months to 10 years old. We have three services and 57 classes, serving 776 children every Sunday in Church at Plaza Hall, basement rooms 3 and 4, and the level 3 Hall. Please help us continue to carry the vision of nurturing the next generation of children. You do not need to be a parent or have prior experience working with children. We are looking for faithful volunteers who love Jesus and children and enjoy teaching children about God and the Bible in age-appropriate ways. Our volunteers play crucial roles in nurturing the love of God and supporting the children's disciple journey to be Jesus's followers at CM. FREQUENTLY ASKED QUESTIONS

Will serving help me grow in Christ?

When we give, we gain. Working on projects, taking responsibility, working with people different from us and from all walks of life, adapting to different working styles, learning patience, and practising graciousness and hospitality are some ways to change us and grow us on our faith journey. At Wesley, our Pastors prioritise a healthy environment for our volunteers and staff and provide a journey that encourages spiritual growth and honours the Lord. Most importantly, Jesus Himself served, serving as the perfect role model for all of us.

When he washed their feet, put on his outer garments, and resumed his place, he said to them, "Do you understand what I have done to you? You call me Teacher and Lord, and you are right, for so I am. If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have given you an example, that you also should do just as I have done to you." John 13:12-15

FREQUENTLY ASKED

QUESTIONS

I am interested in serving in a ministry but might not have the necessary experience or expertise. Do you require any specific knowledge?

Unless they are highly specialised volunteer positions, we don't require any specific experience. We are looking for your availability, and a positive attitude will go a long way! Each ministry in the Church is overseen by a Pastor, staff and experienced Lay members who have served in the ministry. Are you curious if the volunteer opportunity you are prayerfully considering is right for you? Please feel free to get in touch with us to find out more.

I am not sure why I keep considering serving these two months. Something tells me I must do a bit more.

Is God impressing upon your heart to volunteer and serve this season?

I am not sure how much time I should commit to serving in Church.

Time management is essential in our busy lives today. Reflect on your priorities and consider your schedule. Most importantly, seek the Lord's will for you in serving in the Church.

I am already busy with my work, family, and my company's charity activities. But I still want to do something at Church. Should I still volunteer at Church?

Again, time management is essential. So consider how many hours a week/month/quarter/year you can volunteer. You may also consider ad hoc volunteer positions where you or your family can volunteer together.

I want to help. However, I currently hold two jobs to supplement my household income. Working hard is critical to me now.

Volunteering is not always easy. It takes up time and sometimes costs money. We need to drive or take public transport to Church, for example. Consider what you can manage, time and resources-wise. What does God want you to prioritise this season? We can honour God in different ways.

I am not sure which ministry to volunteer with.

What experiences, hobbies, or technical, professional or soft skills do you have that you can use to contribute to the Church? Have you tried to find out through SHAPE? Please email us at comms@wesleymc.org to chat with us.

I like to sing, but my friends do not enjoy singing. They asked me to join them in AV instead, but I have tried AV in school and did not take to it. Should I still join AV?

What are the areas of your interest/passion? Are you open to trying new experiences again, even though you have tried them before and did not like them?

I had never worked before since I left school 30 years ago. I feel out of touch and am unsure what skills I can use to contribute to the Church ministries.

Was there a friend you journeyed with when he was ill? What did you graduate with from school? Have you ever picked up a hobby and enjoyed it? Everyone has an experience, talent, and gift from the Lord that they can use.

FREQUENTLY ASKED QUESTIONS

I am an introvert and do not like to socialise much. But I would like to serve in Church.

I want to serve, but I am unsure where to start.

We have a wide range of volunteer opportunities for you at Wesley. If you prefer a quieter volunteering position, you may consider exploring serving in a ministry that does not require its volunteers to meet in bigger groups to serve, for a start.

For example, you can volunteer to arrange books at the BookNook, write an article for the Church newsletter, take sermon notes or help the Children's ministry by painting some props.

Finally, go to the Lord in prayer and ask Him to reveal to you which areas He would like you to serve in.

TAKE THE NEXT STEP

From teaching in Sunday School, helping in the AV teams, writing articles for our online and printed publications, arranging flowers, befriending the lonely and vulnerable, to serving coffee and tea after services, we have many volunteer roles at Wesley for you to help and serve in.

We invite you to volunteer with us and put God's love into action through serving at Wesley.

You may serve on a regular or ad hoc basis.
One year = 365 opportunities.
